

STEPS TO BUILDING YOUR DREAM HOME

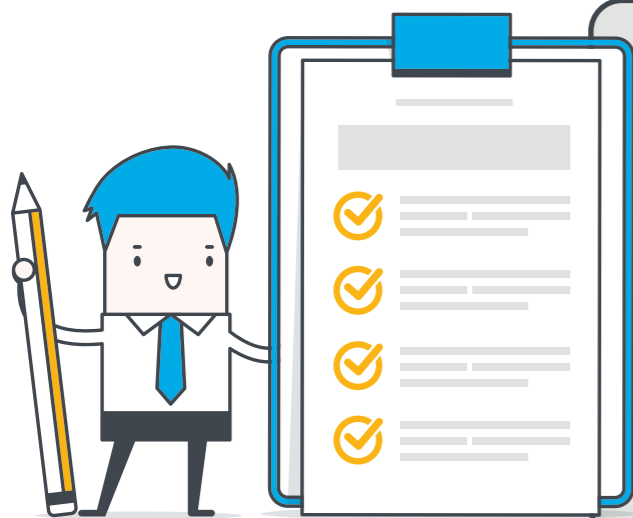

APPLY FOR A LOAN

A loan officer will help you figure out your budget and talk about loan options.

LOOK+ CHOOSE

Now you get to do your research and pick a builder/contractor, home design, and lot location.

LOAN APPROVAL

We will verify all the information. Once approved, you will have a loan closing to fund construction.

BUILD YOUR HOME

We will monitor construction with regular inspections and pay the builder based on completed work.

FINALIZE+ MOVE IN

When your home is done you will have another loan closing. Once funded, you can move in!
